FOR IMMEDIATE RELEASE

Solium Capital Recognized by TechRev Innovators as One of Calgary's Top Technology Companies

Calgary, Alberta, October 6, 2009 — Solium Capital is pleased to announce that it was recognized by TechRev as a winner of their inaugural TechRev Innovator awards for Calgary-based technology innovators. TechRev selects and honors the top 10 Technology Innovators based on consistent growth, leadership in their respective fields, the potential to achieve significant revenue and the innovative development of the product or service offered. The final list of 10 winners were selected from 132 nominations and the 2009 award winners were unveiled on September 24, 2009 at the SMART Tech world HQ in Calgary.

"It is a great honor to be recognized by TechRev. Our inclusion in this select group of Calgary technology innovators is a testament to the continually evolving value proposition we offer our marketplace, the talent and commitment of Solium employees and it further reinforces our position as a technology leader in our industry." said Jeff English, CEO of Solium Capital Inc.

About Solium Capital

Solium Capital Inc. (TSX: SUM) is a leading global provider of web-based stock plan administration technology and services. Solium's integrated solutions enable corporations to automate and manage all stock option and stock purchase plan types, including comprehensive regulatory and financial reporting. Founded in 1999, Solium has since been a disruptive force in the industry, thanks to its proprietary technology Shareworks™ and its innovative approach to simplifying stock plan administration. www.solium.com

About TechRev Innovators

TechRev is an initiative founded by Alberta Advanced Education and Technology, Calgary Economic Development, and Calgary Technologies Inc. with a mandate to increase awareness of and investment activity in the technology sector in the Calgary region.
