Calgary, Alberta, (June 2009) - Solium Capital Inc. (TSX: SUM)) is pleased to announce that it has placed 40th on PROFIT Magazine's list of Fastest-Growing companies for 2008. Solium is proud to be recognized for a third consecutive time amongst Canada's fastest growing firms, Solium achieved growth of 1,854% in annual revenues over a five year time frame.

"Solium is pleased to be considered a high performance company with continued year over year growth, particularly in light of the current economic contraction afflicting the broader economy. It is both an honor and a privilege to have made Profit's list for a third consecutive year," said Jeff English, CEO of Solium Capital Inc.
