**FOR IMMEDIATE RELEASE**

**Solium Capital Inc. Named One of Canada's Fastest Growing Technology Companies in the 2006 Deloitte Technology Fast 50 Program with 3248% Revenue Growth**

**Calgary, Alberta, September 21, 2006** – Solium Capital Inc. (“Solium”) has been named to Deloitte’s prestigious Technology Fast 50, the annual program which recognizes excellence, innovation and the fastest growing tech companies in Canada. Rankings are based on a percentage growth in fiscal year revenues over five years 2001-2005.

“We are honored to be named to this distinguished list of successful Canadian technology organizations,” said Solium President and CEO Jeff English. “Since our inception, Solium has enabled organizations to more effectively manage their employee equity programs and this award validates the market’s strong endorsement of our product direction. The Solium team is committed to a continued path of innovation that delivers success to our clients and achieves our singular focus of becoming the global leader in corporate plans administration.”

To rank on the Deloitte’s Technology Fast 50, companies must have phenomenal revenue growth over five years,”said John Ruffolo, National Leader Technology, Media & Telecommunications, Deloitte. Solium Capital has proven to be one of the fast-growth success stories in Canada and we applaud their success and vision.”

Winners of the 10 regional Technology Fast 50 programs in the United States and Canada are automatically entered in the Deloitte Technology Fast 500 program, which ranks North America’s top 500 fastest growing technology companies.
