**FOR IMMEDIATE RELEASE**

**Solium Capital appoints a new Vice President of US Market Development**

**Southfield, Michigan, Monday October 22, 2007** – Solium Capital Inc. (TSX: SUM), a leading provider of web-based equity plan administration technology and services, today announced the appointment of Stephanie Ceglia to the position of Vice President, Market Development of Solium’s US operations.

In this role, Ms. Ceglia will perform an instrumental role in new business acquisition efforts and product evolution strategy for Solium’s US initiatives. Prior to joining Solium, Ms Ceglia worked for many years at Merrill Lynch where she held various management positions, the most recent being Director of Product Marketing for their Equity Award business. During her tenure with Merrill Lynch, Ms. Ceglia became recognized and respected as an industry leader. Her expertise and insight will be valuable assets to Solium’s executive team.

Ms. Ceglia resides in Hopewell Township, New Jersey with her husband Vincent and their son Grant. Ms. Ceglia said, “I was attracted to Solium’s innovative products, intellectual capital and outstanding client service models.”

“We’re very excited to have Stephanie join Solium. She is an excellent addition to our U.S. team” said Russ Waterhouse, CEO and President of Solium Capital Ltd. “Her extensive industry experience, product knowledge and management skills will help Solium accelerate its growth in the US market place”

**About Solium Capital Inc**

Solium Capital Inc. is a leading global provider of web-based stock plan administration technology and services. Using its leading online proprietary technology Shareworks™, Solium enables corporations to automate and manage their stock option and stock purchase plans, including comprehensive regulatory and financial reporting. Founded in 1999, Solium has since been a disruptive force in the industry by providing global employee incentive management solutions and through its innovative approach to simplifying stock plan administration. Solium has offices in Canada and the United States. For more information visit [www.solium.com](http://www.solium.com).
