FOR IMMEDIATE RELEASE

Solium Capital Inc. Receives Conditional Approval for Toronto Stock Exchange Listing

CALGARY, January 19, 2007 — Solium Capital Inc. (TSX Venture Exchange: SUM) is pleased to announce that it has received conditional approval from the Toronto Stock Exchange ("TSX") for the listing of its common shares on the TSX, subject to fulfilling all of the listing requirements of the TSX.

"Today's announcement reflects another step in Solium's maturation as an organization" stated Jeff English, Solium's President and Chief Executive Officer. "Solium's transition from the TSX Venture Exchange to the TSX recognizes the relentless commitment of the talented people at Solium and the support we continue to receive from our valued clients. We consider graduation to the TSX to be an important milestone for Solium where many of our clients currently trade."

Solium expects to fulfill the listing requirements over the next few weeks and receive final approval in February 2007. Trading on the TSX is expected to continue under the symbol "SUM". Solium will make a further announcement when the listing requirements have been satisfied and a formal listing date has been received from the TSX.

About Solium Capital Inc.

Solium Capital Inc. specializes in the administration and execution of equity-based incentive and savings plans and is setting the industry standard for service excellence, industry knowledge and innovative technical leadership. Solium's technology platform, Shareworks™, is a leading online solution that integrates the management of multiple equity plan types including stock options, share units, and employee share purchase plans on one comprehensive platform.

The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.
